

*Something special for Mother's Day...*

From time to time special services are planned, and the prayer is always that Jesus' grace will impact on the hearts and lives of all present. Well, this Sunday may well be one of those days. In both 9am and 5pm services, we will be treated to some very special stories. They will tell us how God has worked in and through normal people, and we'll dream a little about what the future might bring.

So, maybe this is the best thing you can do for your mum, for your family and ultimately, for your church. Come and be encouraged with the Gospel that brings extraordinary hope to everyday lives.

**There will be no "kids church" or "kids at night" today. Children are invited to sit with families and enjoy the special Mother's day service.**

We have received some additional books, and it will be fine for people to start at Module 2 without having completed Module 1.

The title for Module 2 is "Understanding the Message of Christ". We'll look at what it means to be truly human, and how God rescues us. It will be a great journey - please email Dave to reserve your place.
