**9am
Meltdown: Can we fix it?**

Are we kidding ourselves to think that we can actually change anything about the economic situation? What difference can we make, really? Well, you may be surprised at how God might work through his people to make his Kingdom Come!

Reading: 1 Kings 19: 1-18
Pastor: **Dave Groenenboom**

5pm
Once we know how great God is and how small we are, we can ask the question, "So how should I live?" If the fear of the Lord is the beginning of wisdom and we gain a true perspective by discovering our ONLY significance is found in Jesus, then how do we live in response to that? Simple: obedience. We plan to do his plan and then we implement it. We hear the words of Jesus and we put them into practice. That is what the wise man does. We serve God, we serve one another, we serve the gospel! We store up treasures in heaven, not meaningless junk on earth. And we live out the new life given to us by our Redeemer.

Reading: Matthew 5-7.
